

Health & Safety POLICY STATEMENT

Health and Safety at Work Act 1974

We aim to ensure that employees, contractors and visitors to our premises enjoy a safe and healthy environment in which to work

To achieve this aim we will:

- Provide adequate control of the health and safety risks arising from our working activities;
- Consult with our employees on matters affecting their health and safety;
- Provide and maintain safe plant and equipment;
- Ensure safe handling and use of substances;
- Provide information, instruction, and supervision for employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Prevent accidents and cases of work related ill health;
- Maintain safe and healthy work conditions:
- To meet & wherever possible exceed legislative requirements relating to health & Safety at Work

This policy will be reviewed and revised annually, or when necessary if sooner, and will be brought to the attention of all employees.
