Supplies*

## *One Supplier. One Delivery. One Invoice.*

United UK simplifies procurement of non-food consumables for **multi-site businesses across the hospitality industry**, consolidating everything into one streamlined process.

We reduce the hassle of managing multiple vendors, saving you time and ensuring consistent quality of service. So you can focus on running your venues.

**We guarantee product savings in 20 days, and we donate £500 to Access Sport with every review.**

Simplify procurement by **consolidating all your non-food supplies** into a single solution.

**Take control with smart tools** for tech-driven procurement with real-time insights.

Innovative solutions to **reduce Scope 3 emissions** by up to 80% for sustainable growth.

Expert guidance and **ongoing account management** for seamless operations.

# vantage

*Our cost-control solution offers a free, no-obligation review of your entire indirect spend.*

Our proprietary process identifies opportunities to cut unnecessary costs, consolidate vendors, and streamline procurement. **By reducing your supplier base, we simplify operations and unlock significant savings. At the same time, those benefits boost your profitability.**

With no hidden fees, we handle the rest—delivering everything you need seamlessly and cost-effectively from our warehouses.

**Experience total cost control with Vantage.**

# launchassist

*Seamless setup, confident opening.  
Your trusted partner for flawless  
venue launches*

Our LaunchAssist service is designed to handle every detail of your new venue's setup with care and precision. **From the moment your new venue launch is planned to the final checks before opening day, we ensure everything runs like clockwork.**

A dedicated team member will be with you throughout, verifying that every product has been ordered correctly, packaged together, and **delivered in one convenient drop off.**
