

United-UK LLP is a business to business supplier providing Business Supplies and Services throughout the UK to the Corporate and SME sectors. Our client base includes FTSE100 organisations and SME Businesses.

It is recognised that in our day-to-day operations we inevitably impact on the environment in a number of ways such as, waste generation, use of natural resources and CO2 emissions. As a responsible company we are fully dedicated to continual improvement in our environmental performance and taking all reasonably practicable steps to prevent environmental pollution and reduce our impact on the local and global environment.

We are committed to complying with, and where possible exceeding, the requirements of all relevant legal and other requirements.

We aim to achieve this by:

- ✓ Complying with and where possible exceeding the requirement of all relevant legal and other requirements
- ✓ Taking appropriate measures to prevent pollution and minimise nuisance
- ✓ Establishing and maintaining a Business Management System based on the requirements of ISO 14001 and auditing our environmental performance
- ✓ Developing improvement programs based on the setting and reviewing of annual objectives and targets, by our Sustainability Team, which address our significant aspects and impacts
- ✓ Making more efficient use of resources by improving raw materials energy and fuel efficiency and waste recycling
- ✓ Providing information and training to all employees and persons working for or on our behalf to encourage effective contribution to our environmental goals
- ✓ Ensuring that employees at all levels and persons working for or on our behalf take into account environmental issues when carrying out their daily duties
- ✓ Communicating this policy to all our employees, customers and suppliers
